

# Wow!

I know it doesn't seem like its been that long, but can you believe

its been 5 months since your last order? With that much time having passed, I wanted to touch base with you to see if you have any questions about your business that I may help you answer, and to make you aware of this critical point in your business. To remain an Active consultant, you will need to place a minimum \$200 wholesale order by the end of this month. Unfortunately, if you choose not to place your qualifying order, all company publications and information will cease, and you will no longer retain your recruits or the commission they generate. I'd really hate to see that happen.

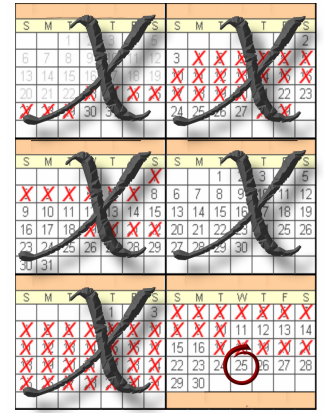

Know that I want what is best for you, your goals, and your current situation. Please let me know if I can assist you in any way with your decision or by helping you place your order. I am just a phone call away!
