

Where've you been hiding??

I just received notification that its been nearly a full year since your last order. I can hardly believe its been that long. I just wanted to drop you a note to give you a head's up about the options that are available to you regarding your Mary Kay business.

Option 1 — You can place a minimum \$200 wholesale order, and your Active status will be reinstated. This means you will be able to continue ordering your products directly from Mary Kay, Inc.

Option 2 — You may let your status lapse, and you will no longer be a Mary Kay Consultant. This means that you will be required to purchase an additional Starter Kit if you'd like to place future orders directly from Mary Kay, Inc. at wholesale prices.

Mary Kay is coming out with some of their best products ever, and I would hate to see you go! If you have questions about which choice is right for you, please don't hesitate to call me personally, and we'll walk through your options more thoroughly. I hope to hear from you soon!

Hugs, *Jenni*
